CALL FOR TENDER

Research Specialist Consultancy: Conducting one Olive value chain research study in Hasbaya **Réf : CFT/LBN/02/24**

Solidarites International is an International NGO working with vulnerable populations, mainly victims of armed conflicts and natural disasters. Specialized for nearly 40 years in the coverage of vital needs, S.I. takes charge of emergency and reconstruction programs.

With respect for cultures and being close to the people, Solidarites International implements its programs by combining its skills with those of its employees and local managers.

Solidarites International's teams, made up of around 270 expatriates and nearly 2200 local employees, are today present in 18 countries in Asia, the Middle East, Africa, and South America where they are particularly committed to fighting diseases related to unsafe water but also in the essential area of food security and livelihoods.

SI is currently operating WASH and Food security and Livelihood programming in Lebanon, focusing on refugees and vulnerable members of the host community in rural and urban settings. The FSL activities include the distribution of food voucher, ready-to-eat meals, and food parcels, along with nutrition awareness sessions, and support for micro, small, and medium-sized enterprises (MSMEs) as well as farmers. SI maintains offices in 3 governorates, including Beirut, Akkar, and Bekaa.

The Deutsche Gesellschaft für Internationale Zusammenarbeit (GIZ) GmbH is a public-benefit federal enterprise owned by the German government. GIZ delivers services in the field of international cooperation for sustainable development.

SOLIDARITES INTERNATIONAL is pleased to announce the initiation of a tender process in collaboration with Deutsche Gesellschaft für Internationale Zusammenarbeit (GIZ), as part of the project "Strengthening the resilience of smaller farms, micro and small enterprises, and local communities." financed by the German Federal Ministry for Economic Cooperation and Development (BMZ). The consultancy we are seeking involves conducting a comprehensive Olive value chain research study in Hasbaya.

Qualified consultants are invited to participate in this tender process, contributing their expertise towards the advancement of our shared objectives. We acknowledge and appreciate the invaluable support and expertise provided by GIZ, which underscores our joint dedication to fostering positive change and empowering communities globally.
