RESILAND PROJECT - AID 012590/06/4

Contract Title: Framework agreement for the supply of fuel and lubricants
Publication reference: 02/FWC/RESILAND/LB/23

Al-Shouf Cedar Society, in the framework of the project "*Resiland: Resilienza ai cambiamenti climatici attraverso azioni di pianificazione, formazione e gestione integrata del territorio*", funded by the Italian Agency for Development Cooperation (AICS), intends to award a framework contract for the supply of fuel and lubricants within the Shouf Region and West Beqaa.

This contract is divided into 2 lots and tenders may be submitted for one or both lots.

Interested parties can request the technical offer to the following email address:

resiland.project.procurement@gmail.com

The proposals must be physically submitted to the following address:

Al-Shouf Cedar Society HQ, Maasser El Shouf – Village square – Facing public garden.

Any additional information or clarifications/questions should be requested by e-mail to the follow address: resiland.project.procurement@gmail.com

The deadline for the submission of proposals is the 26th May 2023

Yours sincerely,

ACS President and legal representative
