Regional EU Trust Fund in response to the Syrian Crisis:
"Resilient Communities: Supporting Livelihoods, Education and Social Stability"

WHO ARE WE?

- ▶ **COSV (Coordinamento delle Organizzazioni per il Servizio Volontario)** is a non-governmental organization, which has been working since 1968 to implement development projects and humanitarian aid in the world.

COSV works in Africa, Latin America, the Middle East, the Balkans and the Pacific for peace, human rights, environmental protection and human, economic and cultural development.

- ▶ **North Lebanon Local Economic Development Agency** is registered as a Non-Profit, Non-Governmental Organization established in March 2011. North LEDA was established with the support of the United Nations Development Programme (UNDP) ART GOLD North Lebanon Initiative. It is a model partnership between the Public and Private Sectors and the Civil Society. It aims to implement development projects in North Lebanon from Batroun to Akkar.
