

Item	Item Description	Qty	Unit Price
1	Regular visits		
	Regular inspection visit including report for Solar fridge + RTMDs including report.	1	
	Regular inspection visit including report for Cold-room+ U COOL LORA including report.	1	
2	On-Call visits		
	On-call visit for solar fridge or RTMDs in official time including report	1	
	On-call visit for solar fridge or RTMDs in weekend or holiday including report	1	
	On-call visit for Cold-room or U COOL LORA in official time including report	1	
	On-call visit for Cold-room OR U COOL LORA in weekend or holiday including report	1	
3	Replacement of accessories		
	Solar photovoltaic panels	1	
	Connection between panel pins and cable terminals	1	
	Panel output voltage	1	
	Cables connecting panels and controller	1	
	Connection between panels cable terminals and controller pins	1	
	Panel voltage at controller pins	1	
	Solar charge controller	1	
	Solar charge controller indications	1	
	Battery bank	1	
	Connection between cable terminals and batteries	1	
	Batteries voltage	1	
	Cables connecting batteries and controller	1	
	Fuse un batteries cable	1	
	Connection between batteries cable and controller pins	1	
	Battery bank voltage at controller pins	1	
	Connection between load cable and controller pins - <i>Check-up for looseness or disconnection</i>	1	
	Load output voltage at controller pins - <i>Check-up of value if within normal operation range</i>	1	
	Cables connecting fridge and controller - <i>Check-up for disconnection</i>	1	
	Fuse in load cable - <i>Check-up for malfunction or absence</i>	1	
	Connection between cable terminals and fridge - <i>Check-up for looseness or disconnection</i>	1	
	Voltage at fridge input - <i>Check-up of value if within normal operation range</i>	1	
	Fridge - <i>Check-up for malfunction</i>	1	
	Signal booster device for RTMD(Remote temperature monitoring device)		
	Timer	1	
	UPS	1	
	Fridge screen - <i>Check-up of indications if error free</i>	1	
	Cost of transportation of fridge from one location to another	1	
	Cost of transportation of cold room from one location to another	1	
4	Training of MoPH Staff		
	Training on Solar fridge maintenance +RTMDs	1	
5	Additional Item (if any)		
	Preventive Maintenance visit for Solar System (including solar system checkup, cleaning panels, topping up batteries, ...)	1	
	On-call visit for Solar System	1	
6	Installation of cold chain		
	Installation of solar fridges	1	
	Installation of cold rooms	1
