

Annex 1 - Technical Proposal Submission Form
Plastic Recycling Plant - RFP-ARKLB0229

Part 1 - General Information:

Bidder Information:

Full Company Name *	
Trading name (if different from registered company name)	
Registered company address	
Website address	

RFP Contact Details:

Contact name and title	
Email	
Phone	

Company Registration Details:

Registration type	
Registration date	
Registration number	
Trade license number	

Part 2 - Past Performance References:

Reference 1

Reference Customer Name:	
Description of business undertaken	
Reference Contact Person:	
Reference Email:	

Reference 2

Reference Customer Name:	
Description of business undertaken	
Reference Contact Person:	
Reference Email:	

Part 3 - Technical Specifications

Item	Description	Specifications	Usage	Remarks	Qty	Technical Specifications as coming from the bidder	Delivery Time (In days)	Warranty (In months)	Make	Model	Country of origin	Comments
1	Rinsing Tank	Stainless Steel, multiple toothed agitators, sewage automatic discharge 2x2x2.5 m	Used for further cleaning and rinsing of waste plastics after crushing	Industrial Washing machine for Plastic 1 year warranty Manual/automatic feeding	1							
2	Dewatering Machine	Stainless steel, aluminium crust, high dryness 2x2x1 m	Used for the dehydration function	Industrial Dryer machine for Plastic 1 year warranty Manual/automatic feeding	1							
3	Pelletizing Machine (Granulator)	Screw diameter 125mm, capacity 1ton/day, equipped with cutter and storage bin	Used for extruding, cooling, and dicing plastic into pellets	Including cutting machine, Electrical protection Including installation and staff training Including mixer machine before pelletizing Capacity/day: Min. 2 tons/day 1 year warranty	1							
4	Cooling Tanks	Stainless steel 2x0.5m	Used for cooling the hot plastic strips extruded by the granulator	1 year Warranty	2							

Part 4 - Confirmation Statement

I hereby declare that:

We are not currently and have not been in litigation that would hamper our ability to deliver the items.

We are not at risk of imminent bankruptcy.

We have capacity to fully conduct warranty clauses on the offered items (pick up, repair work, installation).

We have the capacity to explain working principles and operating procedures of the equipment to selected individuals from the recycling project (basic training upon delivery).

We accept USD payments via bank transfer (fresh money).
