12	Mandatory	Angiography of upper and lower limbs														
13	Mandatory	Brain														
14	Mandatory	Chest														
15	Mandatory	Kidney														
16		Knee														
17		Lumbar														
18	Mandatory	Pelvic abdomen angio-scan														
19	Mandatory	Sinuses														
20	Mandatory	Thoracic angio-scan														
21	Mandatory	Urogram (Uroscan with contrast)														
22	Mandatory	UroScan														
23	Mandatory	Whole Spine														
Ultrasounds																
24	Mandatory	Abdomen	Restart will not be the one in charge of Scheduling appointments. A google drive sheet will be created by Restart and The team of the winning institution will be trained on this sheet. Once created, this sheet will be updated on daily basis upon doctors' requirements. Consequently, the team at the winning institution will have to schedule the appointments for the referred patients on the Google Sheet. For high risk cases the appointment should be placed within 24 hours of the request. For low to medium risk cases a deadline between 5 to 7 days is acceptable.			For urgent cases, results should be available within 24 hours post test. For low to medium risk cases the results should be available within 5 to 7 days										
25	Mandatory	Abdomen and pelvis														
26	Mandatory	Abdomen and pelvis with post mictional residue														
27	Mandatory	Breast														
28	Mandatory	Cervical and Thyroid														
29	Mandatory	Heart														
30	Mandatory	Pelvis														
31	Mandatory	Venous Doppler of lower limbs														
32	Mandatory	Venous Doppler of upper limbs														
X-Ray tests																
33	Mandatory	Abdomen								Should not need any appointment			For urgent cases, results should be available within 24 hours post test. For low to medium risk cases the results should be available within 1 and 3 days.			
34	Mandatory	Ankle														
35	Mandatory	Arm (Humerus)														
36	Mandatory	Calcaneum														
37	Mandatory	cavum														
38	Mandatory	Cervical														
39		Chest Face														
40	Mandatory	Chest Face and Profile														
41		Elbow														
42	Mandatory	Femur														
43		Fingers														
44	Mandatory	Foot														
45		Forearm														
46	Mandatory	Hand														
47	Mandatory	Hip and Pelvis														
48		Incidence scaphoide														
49	Mandatory	Knee														
50	Mandatory	Leg														
51	Mandatory	Lumbar														
52	Mandatory	Nasal bone														
53	Mandatory	Pelvis														
54		Shoulder														
55	Mandatory	Sinus														
56		Skull														
57	Mandatory	Thoracic														
58		Toes														
59	Mandatory	Wrist														
Others																
60	Mandatory	EEG One to 2 Hours	Restart will not be the one in charge of Scheduling appointments. A google drive sheet will be created by Restart and The team of the winning institution will be trained on this sheet. Once created, this sheet will be updated on daily basis upon doctors' requirements. Consequently, the team at the winning institution will			For urgent cases, results should be available within 24 hours post test. For low to
