RFP/BKA/23/002– Vocational Training

Vocational Training – Provision of employability skills training sessions.

The Danish Refugee Council assists refugees and internally displaced persons across the globe: we provide emergency aid, fight for their rights, and strengthen their opportunity for a brighter future. We work in conflict-affected areas, along the displacement routes, and in the countries where refugees settle. In cooperation with local communities, we strive for responsible and sustainable solutions. We work toward successful integration and whenever possible – for the fulfilment of the wish to return home.

The Danish Refugee Council was founded in Denmark in 1956, and has since grown to become an international humanitarian organization with more than 7,000 staff and 8,000 volunteers. Our vision is a dignified life for all displaced.

All of our efforts are based on our value compass: humanity, respect, independence and neutrality, participation, and honesty and transparency.

Operating since 2004 in Lebanon, DRC has addressed the needs and rights of vulnerable populations, working initially with Palestinian refugees (since 2004), Iraqi refugees (2007-2010), Lebanese IDPs (during the 2006 conflict), migrant domestic workers (since 2009) and, since 2011, responding to the Syrian refugee crisis.

2. Selection and Award Criteria:

The selection and award criteria are unique to all tenders. The evaluation process consists of three stages:

- A) Administrative**
- B) Technical**
- C) Financial**

Each stage requires information and documents from the bidder that will determine whether the bidder will progress to next stage or not. Documentation requirements are indicated below in section **A. Administrative Evaluation**.

The criteria for awarding contracts resulting from this Tender is based on the 'best value for money' principle. For the purpose of this Tender DRC defines 'best value for money' as:

ANNEX 37 – RFP TENDER – NATIONAL & INTERNATIONAL

RFP/ BKA/23/02– Vocational Training/ Provision of employability skills training sessions

Best value for money should not be equated with the lowest initial bid option. It requires an integrated assessment of technical, organizational and pricing factors in light of their relative importance (i.e. reliability, quality, experiences, availability, reputation, past performance, cost/fee realism, delivery time, reasonableness, need for standardization, and other criteria depending on the item to be procured).

For all bids deemed technically compliant as per the specification stipulated in **Annex D – Terms of Reference**, DRC will give a weighted combined technical and financial score. The weighted score will determine the contract award.

The technical and financial evaluations carry equal weight in the selection of the successful bidder(s).
