

Scope of services

- **Jurisdiction:**
Ain Baal Municipal Jurisdiction or any other Municipal Jurisdiction specified by Admin FO Tyre in writing.
- **Truck and service requirement:**
Company should send a truck driver with another 1 or 2 labors to collect the garbage from Tyr's office, where the labors must be well equipped to perform these services.
Truck should be specific to collect the garbage and not any truck, where the bin box should be the one that is used for the garbage collection only.
- **Origin/Point of Collection:**

UNHCR office in Tyr - Al Housh-Ain Baal- or any other premises specified by Admin FO Tyre in writing.
- **Destination:**
Company should be sorting and recycling the garbage and delivering it to any identified and approved place by ministry of environment and the municipality in this place, also approved by UNHCR Tyr's office.
The disposal of the garbage should be done appropriately and according to law and practice, and in an environmentally friendly way.
- **Volume of Garbage per visit:**
Unlimited
- **Types of garbage:**
All Types of Garbage produced in FO Tyre whether recyclable or un-recyclable, solid or organic.
- **Reoccurrence:**
3 visits per week-Monday Wednesday & Friday upon closure of business.
- **Fee quote:**
Monthly Fee of fixed amount in USD regardless of the number of truck loads per visit or the capacity of the trucks utilized.
