Definition new & existing companies

Criteria for “New company”

1. Entrepreneur/s who has a **vision** and a **business plan** as well as starts **operationalising** this business plan (more than a working freelancer)
2. 1+ person
3. Founded in 2019 or 2020

Criteria for “Existing company”

1. More than **2 years in** business and minimum requirements:
2. Commercial registry and proof of evidence for ongoing business operation.
3. Have the capacity to create or keep jobs (not just one freelancer)

=> To meet UDP_NL indicators, companies need to be run either by youth (male or female, but aged 16-29) or women (no age limitation). They can be family businesses.
