Anti-Bribery and Anti-corruption

Bribery: The offering, promising, giving, accepting or soliciting of money, a gift or other advantage as an inducement to do something that is illegal or a breach of trust in the course of carrying out an organization's activities.

Corruption: The misuse of entrusted power for private gain.

Islamic Relief does not allow any of its people to behave in a corrupt manner whilst carrying out Islamic Relief's work. Islamic Relief people must not give or accept bribes or facilitation payments; nor give or accept inappropriate hospitality; and must always, in acting for Islamic Relief, have the highest ethical and legal standards.

Islamic Relief has a zero tolerance policy on anti-corruption and bribery. The rule is simple:

YOU MUST NOT OFFER OR ACCEPT BRIBES OF ANY KIND, WHETHER DIRECT OR INDIRECT.

The bribe can be of anything – be that money, inappropriate gifts or hospitality, kickbacks or facilitation payments – and of any value. The size of the bribe is irrelevant if its purpose is to influence your or their conduct in some way. A bribe is still a bribe even when it may appear normal practice in the country you are operating in.

The bribe can also be indirect as well as direct. Either way, it is still a bribe and you and/or Islamic Relief could commit a crime.

This form should be signed by all staff and vendors to ensure the protection of our team and vendors and to show their high commitments towards this policy:

Modern Slavery Policy

Dear vendor,

As you may already be aware of Modern Slavery Act 2015 and the importance of this to Islamic Relief and their operations around the globe. It is imperative that our suppliers are given as much information about modern slavery and that we both work together to help eliminate this within our supply chains nationally and globally and in each and every country in which we operate. The governance team here in the UK have designed a sensitization form (attached) that will provide suppliers information about Modern Slavery and help them understand this better and why this is very important for Islamic Relief.

We therefore kindly request that you read and understand the attached Modern Slavery Sensitization Form and confirm receipt of this. Once this has been read and understood we urge you to remove all forms of modern slavery from your premises, offices and the entire supply chain.

Islamic Relief may undertake an audit at any time and perform checks to ascertain that our suppliers adhere to this legislation and that there is no evidence of Modern Slavery within your business and premises.

We hope this will not deter you in supplying goods, services or works to Islamic Relief and trust you will support us in this noble task.

If there is any further information required then please do not hesitate to contact us.

Best Regards

Procurement officer
