

## **RFP #1903-045**

### **Supply, installation, commissioning and operation and maintenance of a utility scale Solar Photovoltaic (PV) plant -**

Up to 7MWp solar PV + battery storage plant

To all Engineering, Procurement and Construction (EPC) companies with experience in supply, installation, testing, commissioning and operation and maintenance of a utility scale Solar Photovoltaic (PV) plant, DT Global, the implementer partner of the USAID's Innovation for Affordable and Renewable Energy for All (INARA) Project, formally invites interested bidders to participate in a competitive procurement process requiring interested EPC companies to submit a bidder's request to receive the full Request For Proposals (RFP).

The RFP, including all specifications, terms & conditions is available by sending an email to: [procurement\\_inara@dt-global.com](mailto:procurement_inara@dt-global.com) with "Supply, installation, commissioning and operation and maintenance of a utility scale Solar Photovoltaic (PV) plant" in the email subject line.
