## ABOUT MARCH LEBANON

MARCH is a Lebanese non-profit non-governmental, non-profit organization founded in 2011 (Registration Number 956) working to consolidate social cohesion within some of the country's most prominent volatile areas. Its mission is centered around an innovative and multidisciplinary approach to peacebuilding and conflict resolution that focuses on engaging vulnerable and socioeconomically marginalized youth between the ages of 18 and 35, susceptible to sectarian-based violence.

## ABOUT THE PROJECT

As part of its civil- military cooperation activities, March is seeking for company/contractor who can provide and install Solar System for 3 different location in the North of Lebanon in the same Project. This initiative is intended to support the LAF and local communities and encourage youth and LAF cooperation to promote social stability and cohesion in vulnerable communities.

We are requesting quotations for an Installation of Solar System (Annex1).

The Installation will take place in Tripoli: Around Syria Street, Beb el Tebbeneh.
