NCA Lebanon INVITES YOU TO SUBMIT A PROPOSAL FOR SOLAR POWER TECHNICAL CONSULTANT

Dear Sir/Madam,

The Service is required for < Solar Power Technical Consultant >

Please find enclosed the following documents which constitute the Request for Proposal:

A – Instructions

Annex 1: Terms of Reference

Annex 2: Proposal Submission Form (to be completed by the Candidate)

Annex 3: General Terms and Conditions for Service Contracts (to be signed and stamped by the Candidate)

Annex 4: Code of Conduct for Contractors (to be signed and stamped by the Candidate)

If this document is a PDF format, upon request, a complete copy of the above documents can be forwarded in a WORD format for electronic completion. It is forbidden to make alterations to the text.

We would be grateful if you would inform us by email of your intention to submit or not a proposal.

In submitting a proposal, the Candidate accepts in full and without restriction the special and general conditions including annexes governing this Contract as the sole basis of this procedure, whatever his own conditions of services may be, which the Candidate hereby waives. The Candidates are expected to examine carefully and comply with all instructions, forms, contract provisions and specifications contained in this Request for Proposal.

A.1. Scope of services

The Services required by the Contracting Authority are described in the Terms of Reference in Annex 1.

The Candidate shall offer the totality of the Services described in the Terms of Reference. Candidates offering only part of the required Services will be rejected.

A.2. Cost of proposal

The Candidate shall bear all costs associated with the preparation and submission of his proposal and the Contracting Authority is not responsible or liable for these costs, regardless of the conduct or outcome of the process.

A.3. Eligibility and qualification requirements

Candidates are not eligible to participate in this procedure if they are in one of the situations listed in article 33 of the General Terms and Conditions for Service Contracts.

Candidates shall in the Proposal Submission Form attest that they meet the above eligibility criteria. If required by the Contracting Authority, the Candidate whose proposal is accepted shall further provide evidence satisfactory to the Contracting Authority of its eligibility.

Candidates are also requested to certify that they comply with the Code of Conduct for Contractors.

A.4. Exclusion from award of contracts

Contracts may not be awarded to Candidates who, during this procedure:

- (a) are subject to conflict of interest
- (b) are guilty of misrepresentation in supplying the information required by the Contracting Authority as a condition of participation in the Contract procedure or fail to supply this information

A.5. Documents comprising the Request for Proposal

The Candidate shall complete and submit the following documents with his proposal:

- a. Annex 1: Terms of Reference
- b. Annex 2: Proposal Submission Form duly completed and signed by the Candidate (mandatory)

- c. Annex 3: General Terms and Conditions for Service Contracts signed and stamped by the Candidate (mandatory)
- d. Annex 4: Code of Conduct for Contractors signed and stamped by the Candidate (mandatory)
- e. A copy of the owner's passport/ID and of the lead consultant's passport/ID (mandatory)
- f. CV
- g. Membership in engineering syndicate (Electrical or Mechanical). ·
- h. Provide a minimum of 5 relevant references. ·
- i. Minimum 5 years of relevant experience
- j. Provide 3 samples of previous work (BoQs, technical study, and reports), one is related to solar water pumping.

Any Proposal that does not include the above requirements, may be led to an automatic disqualification from the procurement process.

The proposal and all correspondence and documents related to the Request for Proposal exchanged by the Candidate and the Contracting Authority must be written in the language of the procedure, which is English.

A.6. Financial proposal

The Financial Proposal shall be presented as an amount in <USD> in the Proposal Submission Form in Annex 2. The remuneration of the Candidate under the Contract shall be determined as follows: The Candidate shall indicate in his/her proposal his/her proposed global remuneration for the performance of the Services. The Candidate shall be deemed to have satisfied himself as to the sufficiency of his/her proposed global remuneration, to cover both his/her fee rate, including overhead, profit, all his/her obligations, sick leave, overtime, and holiday pay, taxes, social charges, etc. and all expenses (such as transport, accommodation, food, office, etc.) to be incurred for the performance of the Contract. The proposed global remuneration shall cover all obligations of the successful Candidate under the Contract (without depending on actual time spent on the assignment) and all matters and things necessary for the proper execution and completion of the Services and the remedying of any deficiencies therein.

VAT and/or any sales tax applicable to the purchase of services shall be indicated separately in the proposal.

A.7. Candidate's proposed personnel

The key experts are those whose involvement is considered instrumental in the achievement of the contract objectives. The CV of each key expert shall be provided highlighting his/her experience in the specific field of the Services and his/her specific experience in the country/region where the Services are to be performed. The Candidate whose proposal is accepted shall provide if so requested by the Contracting Authority, copies of diplomas and employers' certificates or references proving the key experts' education, professional experience, and language proficiency.

In the Proposal Submission Form, Annex 2, the Candidate shall provide detailed information about key experts' actual availability for the performance of the Contract.

If, before the signing of the Contract, a key expert proposed in the proposal is no longer available the Candidate shall inform the Contracting Authority immediately and the proposal will in such case be considered invalid.

A.8. Subcontractors

If the Consultant intends to use subcontractors, the Consultant shall state their names, qualifications, role, and duties in the performance of the Contract and the Consultant shall specify the parts of the Services that will be executed by the subcontractors, which may not exceed 30% of the Contract. Provisions of the article "Candidate's proposed personnel" concerning the Candidate's personnel and the article concerning eligibility and qualification requirements shall apply to the subcontractors or the subcontractor's personnel.

A.9. Validity

Proposals shall remain valid and open for acceptance for <20> days after the closing date.

A.10. Clarifications in the RFP & Submission of proposals and closing date

Clarifications:

Bidders may submit questions in writing at the latest by 29th February, specifying the procurement no. (LEB-2024-004), and the procurement title. Information regarding the interpretation of this Request For Proposal (RFP) must be requested in writing to the Contracting Authority's e-mail: ncalebannonprocurement@nca.no

Bidders are not allowed to approach the Contracting Authority for verbal clarification.

Any clarification of the procurement documents given by the Contracting Authority will be submitted to all Bidders.

Any prospective Bidder seeking to arrange individual meetings during the solicitation period with either the Contracting Authority and/or any other organization with which the Contracting Authority is associated or linked may be excluded from the procurement procedure.

Submission Instructions

Proposals must be received at the address mentioned on the front page in a sealed envelope not later than the closing date and time specified on the front page.

Proposals shall be submitted in a sealed envelope bearing the following information:

Norwegian Church Aid

Address: Norwegian Church Aid

Achrafieh, Zahrat al Ihsan Street, facing Namat Beirut, Building Smaha#3, first floor.

Attention: Procurement Department

Procurement no.: LEB-2024-004

Offers shall be submitted in a sealed envelope containing **two** envelopes:

1. **Legal & Technical Envelope:** Contains all the legal and technical documents.
2. **Financial Envelop:** Contains only the financial proposal.

All envelopes must be tightly closed with the company's stamp on the envelope closing area.

A.11. Evaluation of Proposals

The evaluation method will be the quality and cost-based selection. A two-stage procedure shall be utilised in evaluating the Proposals, a technical evaluation, and a financial evaluation.

Proposals will be ranked according to their combined technical (S_t) and financial (S_f) scores using the weights of <75>% for the Technical Proposal; and <25>% for the offered price. Each proposal's overall score shall therefore be $S_t \times <75>\% + S_f \times <25>\%$.

Technical evaluation

For the evaluation of the technical proposals, the Contracting Authority shall consider the following criteria, with the indicated weights:

Technical evaluation of the submitted documentation	
<ul style="list-style-type: none">- Minimum Relevant 5 years' experience 15% (5 Years is 5 points and for each additional 1 year we add 2 Points).max, 15% per 10 years or above.- Providing 3 samples of previous work (BoQs, technical study, and reports), one related to solar water pumping 30%- Technical Interview 30 %	
Total Technical evaluation of the submitted documentation and interview	75 points

Interviews

The Contracting Authority reserves the right to call to interview the Candidates having submitted proposals determined to be substantially responsive.

The potential interviews will take place from one week after the closing date. It is expected that the Candidates to be available during that period with the key experts on the board.

Financial evaluation

Each proposal shall be given a financial score. The lowest Financial Proposal (Fm) will be given a financial score (Sf) of 100 points. The formula for determining the financial scores shall be the following:

$Sf = 100 \times Fm/F$, in which

Sf is the financial score

Fm is the lowest price and

F is the price of the proposal under evaluation

Negotiations

The Contracting Authority reserves the right to contact the Candidates having submitted proposals determined to be substantially and technically responsive, in order to propose a negotiation of the terms of such proposals. Negotiations will not entail any substantial deviation from the terms and conditions of the Request for Proposal but shall have the purpose of obtaining from the Candidates better conditions in terms of technical quality, implementation periods, payment conditions, etc.

Negotiations may however have the purpose of reducing the scope of the services or revising other terms of the Contract in order to reduce the proposed remuneration when the proposed remunerations exceed the available budget.

A.12. Award criteria

The Contracting Authority will award the Contract to the Candidate whose proposal has been determined to be substantially responsive to the documents of the Request for Proposal and which has obtained the highest overall score.

A.13. Signature and entry into force of the Contract

Prior to the expiration of the period of the validity of the proposal, the Contracting Authority will inform the successful Candidate in writing that its proposal has been accepted and inform the unsuccessful Candidates in writing about the result of the evaluation process.

Within <2> days of receipt of the Contract, signed by the Contracting Authority, the successful Candidate must sign and date the Contract and return it to the Contracting Authority. On signing the Contract, the successful Candidate will become the Contractor and the Contract will enter into force.

If the successful Candidate fails to sign and return the Contract within the days stipulated, the Contracting Authority may consider the acceptance of the proposal to be cancelled without prejudice to the Contracting Authority's right to claim compensation or pursue any other remedy in respect of such failure, and the successful Candidate will have no claim whatsoever on the Contracting Authority.

A.14. Cancellation for convenience

The Contracting Authority may for its own convenience and without charge or liability cancel the procedure at any stage.

A.15. Data Protection and Privacy

The Contracting Authority may collect and process personnel data such as names, addresses, telephone numbers, email addresses, banking details and CVs. Such data will be used for the sole purpose of managing the procurement process and any subsequent Contract issued as a result of the procurement process, including transmission to bodies charged with monitoring and or inspecting procurement processes, in accordance with applicable EU, international and national law on data protection. Data may be stored for as long as a legitimate reason remains for its storage and up to a period of seven years.

Submission of any bid, proposal, quotation or offer and acceptance of any subsequent Purchase Order or Contract signifies the bidders consent to such data collection and its processing

The General Terms and Conditions provide reference to the specific rights, and regulations related to the data that is stored.
