

## Questions and Answers - FFP RFP

**Question 1: What is the estimated duration of the questionnaire?**

PMSPIL II Answer: Between 20 and 30 min.

**Question 2: Assume targeting just one beneficiary in HH not including other members?**

PMSPIL II Answer: This is the target, although some other family members can be present during the interview.

**Question 3: And that pictures can be taken by provided tablet?**

PMSPIL II Answer: Yes, pictures can be taken with the provided tablets.

**Question 4: If the respondents in phase one are different from phase 2 or do we have to recontact the original respondents?**

PMSPIL II Answer: The respondents can be different; if phase 2 applies, we will be selecting another sample from a new FFP identified list of beneficiaries. A list of individuals to be contact will be provided on monthly basis.

**Question 5: Is it envisaged to be with head of household/ card holder or an aware family member/ any gender criteria?**

PMSPIL II Answer: it can be both, the cardholder will be contacted. There is no set gender criteria.

**Question 6: Since the data collection is now divided into 2 phases:**

- a. Are the 1152 beneficiaries the same across the two phases?
- b. Will the same interview guide be used for both phases? Or will there be two interview guides?

PMSPIL II Answer: No, there will be 2 different sets of 1152 beneficiaries. Each phase will have its own set of 1152 beneficiaries, though some may be common between both phases. The interview guide may be revised if needed.

**Question 7: As per the RFP, the PMSPIL II team will conduct a one day training for enumerators. Will another training be scheduled before the additional phase?**

PMSPIL II Answer: We can accommodate another training if needed.
