

REQUEST FOR EXPRESSION OF INTEREST (EOI)

Subject: Construction Services for equipping GIZ building in Hazmieh with fire escape stairs.

GIZ works in 12 distinct projects and implement a wide range of development cooperation activities throughout Lebanon in the sectors of sustainable economic development, social participation and conflict transformation, education, and water. GIZ Lebanon partners with various stakeholders, such as the Lebanese government, local authorities, civil society, and the private sector. Our offices are located in Beirut and Tripoli, and we implement activities in all governorates in Lebanon.

GIZ Lebanon has a thoroughly developed system to maintain its' security and always assess the situation to provide best secured working place to its' employees.

GIZ intends to award a contract for construction works related to equipping GIZ building in Hazmieh with fire escape stairs.

The existing ground can be described as below:

- A building that approximately consists of 4 floors each of 475 m² and the 4th floor is of 365 m² with terrace and 2 underground parking.
- The building has a garden of approximately 100 m²
- The building is blocked from all its sides with big window glasses.

The scope of work includes:

- 1) Supply and install structural steel to Fire Escape Stair, including all necessary accessories
- 2) Supply and install internal structural steel to Fire Escape Stair, including all necessary accessories.
- 3) Supply and install appropriate lighting fixtures waterproof for the staircase, all networking, sockets and necessary connections at each floor.

Tender procedure from invitation to tender until signing of contract is expected to take place between May 2024 and June 2024. Shortlisted companies will be able to take part in this tender but only one company will be granted the award.

Construction work is expected to be performed and completed approximately within 1 to 2 months from signing of contract.

To qualify for consideration in the tender procedure, interested companies are required to submit the following information and documents for eligibility assessment:

- 1) Official letter expressing interest.
- 2) Company details including full company name, full address, phone and email.
- 3) Copy of company registration certificate.
- 4) Proof of membership at the Lebanese Contractors Syndicate under either one or

multiple categories:

a. "Special Buildings" (المباني المتخصصة) for projects in group 6 (less than 0.5 million USD).
