

**Request For Information – RFI
Pharmaceutical Companies (Lebanon)**

International Medical Corps (IMC) is a global humanitarian, non-profit organization dedicated to saving lives and relieving suffering worldwide through healthcare training, relief, and development programs.

IMC Lebanon is currently in the process of updating our prequalified vendor list for medication companies, we are inviting interested and qualified suppliers to provide information about their products and services.

IMC is committed in maintaining high standard in the quality of medication provided to the community, therefore we are seeking reliable and reputable suppliers based in Lebanon who can meet our requirements and contribute to our mission by providing safe and effective healthcare solutions.

If your company is interested in being considered, please send us an email, and provide the following information:

- 1- Company overview: Brief History & background of the company
- 2- Product portfolio: List of Medications

Then we will be sharing the Required documents to be filled and set up a meeting for a prequalification visit by our technical team.

Please send your interest to Mira Khayat – Procurement Manager Copying Hiba Hijazi: Logistics Coordinator (Head of department).
