## I. INTRODUCTION

### A. ORGANIZATION BACKGROUND

The Lebanon Reforestation Initiative (LRI) is a Lebanese NGO registered at the Ministry of Interior and Municipalities under no. 1186 on 18 June 2014. The Lebanon Reforestation Initiative has transformed the way native trees are grown and planted in Lebanon and assisted diverse communities throughout the country to restore more than 1,300 hectares of communal forest lands by planting more than 1,200,000 native trees. It has established successful models of community-based landscape restoration, public-private funding mechanisms, and community wildfire prevention and management.

LRI is implementing a one-year urban forestry intervention under the United States Forest Service funded project “Strengthening Climate Change Resilience in Lebanon”. The planting portion of interventions aims to increase green cover in Saida and strategically increase the ensuing ecosystem services. Based on site assessments and thorough site selection, LRI will be planting a section of around 10,000m<sup>2</sup> near the coastal region with approximately 1000 seedlings.

## II. PURPOSE

LRI is seeking a qualified urban forestry consultant/landscape designer with experience and knowledge of working in urban contexts to support LRI team in developing clear designs and recommendations for the planting interventions in Saida. Methods focused on accommodating community needs, increasing ecosystem services and using native tree species are preferred. The consultant is also requested to adhere to scheduled field visits during the implementation phase. The overall purpose is to strategically maximize the benefits resulting from the tree planting.

### A. SCOPE OF WORK

The selected expert shall be part of a team that consists of LRI and local experts who will work jointly to develop the concept and implement the planting interventions for the aforementioned planting area. The consultant will take in consideration LRI’s opinion in concept development but will be solely responsible for delivering a design map for the urban forestry interventions. The consultant will propose an implementation process for the landscaping work that will be set in coordination with LRI to meet project targets and workplan schedule. The consultant will assist LRI in the selection of trees in each of the sites.

The consultant needs to be flexible and adaptive and must allow for revisions of proposed designs.

### B. DELIVERABLES

The consultant will be required to deliver the following:

- Develop concept proposal for selected location with concept and design justification. This proposal should identify a purpose and concept for the intended designs. The concept should relate to the location, identify local needs of the selected area in Saida. This deliverable requires preliminary designs with a detailed description of the concept that takes into consideration the project targets set by LRI. The preliminary concept may include larger scale master plan ideas for the area but the preliminary designs should reasonably and practically fit within the budget of the project.
- Landscape designs with design development drawings (Master plan of the entire project, Hardscape Plans – Scale: 1/100, Softscape Plans – Scale: 1/100, Elevations – Scale: Variable, Softscape details – Scale: Variable, Hardscape details – Scale: Variable, Softscape & hardscape palette, Outdoor lighting plans (if needed) – Scale: 1/50.
- BoQs for design-based purchases

<b>Milestone Nb</b>	<b>Description</b>	<b>Date</b>	<b>Details and deliverables</b>
1	Site selection and concept proposals	March 2023	Site selection (Coordination with LRI) Concept proposal with preliminary concept designs
2	Detailed Design	April 2023	Final drawings + design maps/drawings Preliminary BOQ submitted for revisions and followed by final detailed BOQ
3	Supervision	April 2023	Supervision of design implementations

LRI anticipates issuing a *service agreement* to the Service provider.

## IV. PROPOSAL PREPARATION AND SUBMISSION REQUIREMENTS

### A. INSTRUCTIONS FOR PROPOSAL PREPARATION

The selection committee will evaluate the Offerors based upon their written technical and cost proposals. Each section will be evaluated according to the criteria for evaluations in Section V. Offerors are expected to examine the specifications and all instructions in the RFP. Failure to do so is at the Offeror's risk. Interested Offerors must provide the following:

## V. CRITERIA FOR EVALUATION

LRI will evaluate proposals based on a best-value determination; Offerors should submit their most competitive price proposal. Proposals will be evaluated using the following criteria:

- A degree in Architecture, urban planning or landscape designing – 10%
- Previous urban planning experience, landscape designing is a plus –20%
- Proposed budget – 30%
- Schedule availability – 30%
- Impactful CV/previous references – 10%

The evaluation committee will review the technical proposal based upon the technical criteria listed above. The cost proposals will be reviewed to ensure they are complete and free of computational errors. The committee will also assess the reasonableness of costs and the cost-effectiveness of the budget and will determine whether the costs reflect a clear understanding of project requirements. A contract will be offered to the responsible Service Provider whose proposal follows the RFP instructions and is judged to be the most advantageous to LRI.

## VI. SOLICITATION PROCESS

Once the RFP is released, the Offerors must prepare a formal proposal to be sent to the contact person at LRI as indicated in Section IV (b) (1). The submitted proposals will be reviewed against the criteria for evaluation defined in Section V

above and rated on their ability to satisfy the requirements stated in this RFP document. A preferred service provider will be chosen and formally notified. A formal contract will be negotiated with the selected service provider and, if endorsed, the Offeror will begin work on the project.

## VII. TERMS AND CONDITIONS

### A. LATE SUBMISSIONS

Proposals received after the submission deadline stated in the cover page of this RFP may not be considered. Offerors will be held responsible for ensuring their quotations are received according to the instructions stated herein. A late offer will be considered if the cause was attributable to LRI or its employees/agents, or if it is in the best interest of LRI.

### B. MODIFICATION OF RFP REQUIREMENTS

LRI retains the right to terminate the RFP or modify the requirements upon notification to Offerors.

### C. WITHDRAWALS OF PROPOSALS

Proposals may be withdrawn by written notice via email at any time before award. Proposals may be withdrawn in person by an Offeror or authorized representative, if the representative's identity is made known and the representative signs a receipt for the proposal before award.

### D. RIGHT OF NEGOTIATION AND ACCEPTANCE OF PROPOSAL

This RFP represents a definition of requirements and is an invitation for submission of proposals. LRI reserves the right to fund/award any or none of the submitted proposals. No commitment is made, either expressed or implied, to compensate Offerors for costs incurred in the preparation and submission of their proposal.

LRI may reject any proposal that is nonresponsive. A responsive proposal is one that complies with all terms and conditions of the RFP. A proposal must be complete, signed by an authorized signatory, and delivered no later than the submission time and date indicated on the cover sheet of this RFP. LRI may reserve the right to waive any minor discrepancies in a proposal.

LRI reserves the right to issue an award based on the initial evaluation of proposals without discussion. LRI also reserves the right to enter into best and final negotiations with any responsive Offerors for all or part of the proposed scope.

### E. VALIDITY OF PROPOSAL

Proposals submitted shall remain open for acceptance for *60 days* from the last date specified for receipt of proposals. This includes, but is not limited to, pricing, terms and conditions, service levels, and all other information. If your organization is awarded the contract, all information in the RFP and negotiation process is contractually binding.
