

Request for Proposal # BEY/2019/004**22nd Of May 2019****Request for Proposal for Information Security Consultancy Services**

The Danish Refugee Council assists refugees and internally displaced persons across the globe: we provide emergency aid, fight for their rights, and strengthen their opportunity for a brighter future. We work in conflict-affected areas, along the displacement routes, and in the countries where refugees settle. In cooperation with local communities, we strive for responsible and sustainable solutions. We work toward successful integration and – whenever possible – for the fulfillment of the wish to return home.

The Danish Refugee Council was founded in Denmark in 1956, and has since grown to become an international humanitarian organization with more than 7,000 staff and 8,000 volunteers. Our vision is a dignified life for all displaced.

All of our efforts are based on our value compass: humanity, respect, independence and neutrality, participation, and honesty and transparency.

Operating since 2004 in Lebanon, DRC has addressed the needs and rights of vulnerable populations, working initially with Palestinian refugees (since 2004), Iraqi refugees (2007-2010), Lebanese IDPs (during the 2006 conflict), migrant domestic workers (since 2009) and, since 2011, responding to the Syrian refugee crisis.

DRC Lebanon is currently delivering programming in protection, housing, infrastructure, basic assistance, livelihoods, and community development interventions. This myriad programming seeks to address the immediate needs of displaced populations and concurrently support vulnerable host populations. DRC has five offices spread throughout Lebanon in, Beirut, the Bekaa, Tripoli and Qobayat.

Evaluation of Bids

The criteria for awarding contracts resulting from this RFP will be based on the 'best value for money' principle. For the purpose of this RFP DRC defines 'best value for money' as:

Best value for money should not be equated with the lowest initial bid option. It requires an integrated assessment of technical, organizational and pricing factors in light of their relative importance (i.e. reliability, quality, experiences, and reputation, past performance, cost/fee realism, delivery time, reasonableness, need for standardization, and other criteria depending on the item to be procured).

All bids will undergo a Technical Evaluation where the specifications of the offered services / CV technical expertise will be evaluated against the specifications advised in this RFP (Annex A: Terms of Reference). Those bids that meet the specifications will be classed as 'Acceptable' and the bids progressed onto the 'Financial Evaluation'.

The Financial Evaluation will be based on the 'lowest acceptable bid' taking into consideration other factors such as warranty, quality, total cost of ownership, cost of on-going consumables, etc.

Contract Award

Under the 'best value for money' principle, DRC will award the contract(s) (under DRC General Conditions of Contract for the Procurement of Services) to the 'lowest responsive bid' except where other considerations are warranted. These other considerations can be – total cost of ownership; cost of on-going consumables; price vs warranty; quality vs price.

RFP Enquires

All enquires and questions should be addressed to: procurement.rfp@drclebanon.dk

Under DRC's Anti-Corruption Policy Bidders shall observe the highest standard of ethics during the procurement and execution of such contracts. DRC will reject a bid if it determines that the bidder recommended for award, has engaged in corrupt, fraudulent, collusive, or coercive practices in competing for, or in executing, the contract.

Sincerely,

Procurement Department
