Deadline for questions	Date: Friday, November 3 rd , 2023 Time: 4:00 PM Please address questions to: +961 81 425 138

PROGRAMME DETAILS

Under WFP's School Snacks 2023-2024 Programme, DCL is requested to distribute healthy snacks to 30,000 children registered in 55 schools in North Lebanon and Akkar. In each school, a room/space (approx. 10m²) will be dedicated by the school's director for the snacks' storage for a few hours up to a few days.

Within this context, DCL seeks to contract a suitable supplier to provide pest control management services in the storage rooms of the 55 assigned schools.

At a first stage, pest control will be applied only in 34 schools, as per Annex B. The first round of pest control should be completed by the 13th of November 2023, and should be repeated in February and April (3 rounds in total).

At a second stage, pest control will be applied in the remaining 21 schools (Annex C) – exact dates to be confirmed.

SUPPLIER'S ROLE

The selected supplier should provide:

- Three rounds of pest control (November 2023, February 2024, and April 2024).
- Use of pesticides for rodents and crawling insects such as worms, ants, cockroaches. Pesticides should be food-storage area friendly (Certificate required)
- Inspection of:
 - The storage room status, checking for any cracks or openings (like holes made as water outlets or other).
 - The status of the windows and doors, checking if they close properly and if there are any cracks that may allow insects or rodents to enter.
 - Humidity, ventilation, and sunlight levels, and the suitability for fresh food storage. If the humidity levels are high, then, a solution should be identified and, upon

- approval by DCL, should be implemented (potential cost will be discussed separately, on a per case basis).
- Any potential risk related to the storage of food items.
- Comprehensive report with comments on all the above points following the visits to the schools.

LIST OF SCHOOLS AND RESPECTIVE LOCATIONS

The list of schools with their exact locations is provided in Annex B (34 schools – first stage of implementation) and in Annex C (21 schools – second stage of implementation).

HOW TO APPLY:

Please fill in the RFQ Form, and submit it along with your financial proposals at requests@dclngo.org, indicating separately the quote for the 34 schools of Stage 1, and the quote for the 21 schools of Stage 2. Also, besides your quotation, include in your proposal: (a) background of your company (years of operation, ownership status, etc), (b) analysis of the pest control management process to be used, (c) portfolio of clientele.

ANNEX A: RFQ Form

Fill in the below RFQ and attach the company's registration form, tax registration form, VAT registration form, ISO 22000 or equivalent health certification, a portfolio list along, and reference contacts along with proof of the respective collaboration.
