CRITERIA FOR EVALUATION

Rene Moawad Foundation will evaluate proposals based on a best-value determination ; offerers should submit their most competitive price proposal. Proposals will be evaluated using the following criteria:

60% Technical Evaluation

40% Financial Evaluation

The evaluation committee will review the technical proposal based upon the technical criteria listed above. The cost proposals will be reviewed to ensure they are complete and free of computational errors. The committee will also assess the reasonableness of costs and the cost-effectiveness of the budget, and will determine whether the costs reflect a clear understanding of project requirements. A contract will be offered to the responsible Offer or whose proposal follows the RFP instructions and is judged the most advantageous to Rene Moawad Foundation.
