

NATIONAL CALL FOR TENDER**INSTRUCTIONS TO BIDDERS ACTED Lebanon**

Date:

Tender N°: [T/11CUO/87DCSO/BRT/17-06-2020](#)

ACTED is requesting through this tender a company/consultant to provide detailed written offers for the supply of the following items:

PRODUCT SPECIFICATIONS:

1. Description:

| Lot # | Description | Quantity | INCOTERMS | Category |
|-------|--|---------------------|------------------------|----------|
| 1 | supply and install a solar system in qoleile | Refer to offer form | Qoleile- South Lebanon | supplies |

RESPONSIBILITIES OF THE CONTRACTOR:

1. Terms of delivery: 60 days after contract signature
2. Validity of the offer: 6 months

The answers to this tender should include the following elements:

- A written quotation including all the product specifications, the price per unit, quantity proposed and unit, and total price;
- Colored and clear pictures of the product (or catalogue);
- A certificate of origin.

GENERAL CONDITIONS:

1. The **closing date** of this tender is fixed on **08/07/2020 at 5.00PM Local Lebanon time** by email.
2. Tenderers will fill, sign, stamp and return the Offer form according to ACTED's format.
3. Tenderers will sign and return all pages of the Product Specifications for which they apply.
4. The offer to the call for tender will not result in the award of a contract.
5. The bid subject must mention "**T/11CUO/87DCSO/BRT/17-06-2020 not to open before 09/07/2020**" by email to lebanon.tender@acted.org Cc: tender@acted.org with "**T T/11CUO/87DCSO/BRT/17-06-2020 - not to open before 09/07/2020**" as subject of the email .
6. The offers must be submitted in **English** and prices must be expressed in **USD**.
7. A copy of the legal representative ID has to be provided with the tender documents.
8. **ALL THE PAGES OF TENDER DOCUMENTS** (instructions to bidders, offer form, Questionnaire, Ethical declaration and bidders checklist) have to be manually signed and stamped by the bidder.
9. Suppliers can bid for one or several lots. If the supplier answers only to one lot, this supplier will be considered as eligible for the tender.
10. Unsealed envelope and late offers will not be considered.
11. To ensure that funds are used exclusively for humanitarian purposes and in accordance with donors' compliance requirements, all contract offers are subject to the condition that contractors do not appear on anti-terrorism lists, in line with ACTED's anti-terrorism policy. To this end, ACTED reserves the right

ACTED

T/11CUO/87DCSO/BRT/17-06-2020

to carry out anti-terrorism checks on contractor, its board members, staff, volunteers, consultants, financial service providers and sub-contractor.

NOTE: ACTED adopts a zero tolerance approach towards corruption and is committed to respecting the highest standards in terms of efficiency, responsibility and transparency in its activities. In particular, ACTED has adopted a participatory approach to promote and ensure transparency within the organization and has set up a Transparency focal point (Transparency Team supervised by the Director of Audit and Transparency) via a specific e-mail address. As such, if you witness or suspect any unlawful, improper or unethical act or business practices (such as soliciting, accepting or attempting to provide or accept any kickback) during the tendering process, please send an e-mail to transparency@acted.org.

OFFER FORM ACTED Lebanon

Date:

Tender N : *T/11CUO/87DCSO/BRT/17-06-2020*

To be Filled by Bidder (COMPULSORY)**Details of Bidding Company:**

1. Company Name: (_____)
2. Company Authorized Representative Name: (_____)
3. Company Registration No: (_____)
No/Country/ Ministry
4. Company Specialization: (_____)
5. Mailing Address: (_____)
Country/Governorate./City/St name/Shop-Office No
 - a. Contact Numbers: (Land Line: _____ / Mobile No: _____)
 - b. E-mail Address: (_____)

I undersigned _____, agree to provide ACTED, non-profit NGO, with items answering the following specifications, according to the general conditions and responsibilities that I engage myself to follow.

PLEASE FILL IN THE FOLLOWING TABLES, ONE FOR EACH LOT :

NOTES:

- **ACTED RESERVES THE RIGHT TO REQUEST SAMPLES FROM SUPPLIERS TO CHECK ON THE QUALITY OF THE GOODS PRICED AND TO SELECT THE BEST VALUE FOR MONEY ACCORDINGLY**

Pre-selection evaluation table :

The maximum score that can be awarded for each criterion is indicated below.

○ A. Technical Evaluation = 60%

| | Criteria | Maximum Score |
|---|-----------------------------|---------------|
| 1 | Experience in Similar Works | 30 |
| 2 | Work Program and Work Plan | 10 |
| 3 | Company capacity | 20 |
| | Total Score | 60 |

○ B. Financial Evaluation = 40%

| | Criteria | Maximum Score |
|---|--------------------|---------------|
| 1 | Financial Offer | 40 |
| | Total Score | 40 |

LOT 1 :SUPPLY AND INSTALL A SOLAR SYSTEM IN QOLEILE

| Item # | Description | Unit | QTY | Unit price Excluding VAT (USD) | Unit price Including VAT (USD) | Total price Excluding VAT (USD) | Total price Including VAT (USD) |
|--------|---|----------------|-------|--------------------------------|--------------------------------|---------------------------------|---------------------------------|
| 1 | Clearing of the entire construction site, ground reconditioning, excavation, leveling, concrete curbs, concrete pouring, etc..., including the removal of any waste material to an approved dump and the repair of any damages. Works shall be complete, done according to the specifications, the drawings, to the approval of the Engineer and in compliance with the SLWE requirements. | m ² | 1,300 | | | | |
| 2 | Supply, install, test and commission for PV arrays support structures for PV Installation shall be complete with all required accessories and fittings, according to the specifications, the drawings, to the approval of the Engineer and in compliance with the SLWE requirements. Support mounting structure for 75 kWp. | m ² | 580 | | | | |
| 3 | Construct the following foundations for the support structures, complete including, but not limited to, all necessary excavation, concrete works using ordinary Portland cement to ASTM C150, Type II, 25 MPa on cylinder for blinding and 30 MPa on cylinder for reinforced concrete works with all necessary formwork, reinforcement, anchor bolts & steel plate, accessories, application of two coats of bituminous paint to the concrete surfaces in contact with soil, backfilling and compaction, removal of resulting materials to approved | Item | 144 | | | | |

| | | | | | | | |
|---|--|-------------|-----------|--|--|--|--|
| | <p>dumping areas outside the site, and all other related works.</p> <p>Works shall be complete, done according to the specifications, the drawings, to the approval of the Engineer and in compliance with the SLWE requirements.</p> <p>Reinforced concrete foundation 600mm x 600mm x 600mm.</p> | | | | | | |
| 4 | <p>Supply and install precast concrete manhole with ductile iron cover, complete including, but not limited to, all necessary excavation, concrete works, reinforcement, application of two coats of bituminous paint to the concrete surfaces in contact with soil, backfilling and compaction, removal of resulting materials to approved dumping areas outside the site, and all other related works.</p> <p>Installation shall be complete with all required accessories and fittings, according to the specifications, the drawings, to the approval of the Engineer and in compliance with the SLWE requirements.</p> <p>Precast concrete Manhole 600mm x 600mm x 700mm.</p> | Item | 4 | | | | |
| 5 | <p>Supply and install duct banks made with Ø 3" HDPE conduits, at 600mm depth, including excavation of the trench, bedding, warning tape, protective tiles, backfilling, compacting, asphaltting and reinstatement of the street and sidewalk, and all other related works.</p> <p>Installation shall be complete with all required accessories and fittings, according to the specifications, the drawings, to the approval of the Engineer and in compliance with the SLWE requirements.</p> <p>3 x Ø 3" HDPE duct bank.</p> | Lm | 30 | | | | |

| | | | | | | | |
|----|---|-------------|------------|--|--|--|--|
| 6 | Supplying, installing and commissioning an electrical utility pole (EDL pole design) for cabling, with proper location as mentioned in drawings. Electrical utility pole (EDL pole design) | Item | 1 | | | | |
| 7 | Supply, install, test and commission of Photovoltaic installation, rated 100kWp, including PV modules, clamps, connectors, with all of the required PV DC cables, accessories and mounting fittings. Installation shall be complete with all required accessories and fittings, according to the specifications, the drawings, to the approval of the Engineer and in compliance with the SLWE requirements. PV modules, monocrystalline type, rated power >350Wp, efficiency >17%. | Item | 208 | | | | |
| 8 | Aluminum End module clamp | Item | 136 | | | | |
| 9 | Aluminum Mid module clamp for 880 panels. | Item | 586 | | | | |
| 10 | MC4 connector female IP68. | Item | 288 | | | | |
| 11 | MC4 connector male IP68. | Item | 288 | | | | |
| 12 | Supply, install, test and commission of solar pump inverter, with all of the required DC cables, AC power cables, control cables, CAT6 DATA communication cables, accessories, mounting fittings and cable connectors. Also the inverter must have a free license-open source software and platform for monitoring, also weather station must be connected for monitoring the wind speed/direction, Ambient Air temperature & global irradiance sensor with the proper Modbus needed. Installation shall be complete with all required | Item | 1 | | | | |

| | | | | | | | |
|----|---|-------------|----------|--|--|--|--|
| | <p>accessories and fittings, according to the specifications, the drawings, to the approval of the Engineer and in compliance with the SLWE requirements.</p> <p>Solar Pump inverter, rated 75 kW_e.</p> | | | | | | |
| 13 | <p>Supply, install, test and commission a line interactive UPS, for PV controller, sized according to the proposed inverter having a power autonomy of 12hrs at 80% load, with communication port compatible with communication protocols, to be installed inside a ventilated cabinet, complete including batteries, battery racks, protections, accessories, fittings and all other related works, with all of the required power cables, control cables, DATA communication cables, accessories, mounting fittings and cable connectors.</p> <p>Installation shall be complete with all required accessories and fittings, according to the specifications, the drawings, to the approval of the Engineer and in compliance with the SLWE requirements.</p> <p>Line interactive UPS with batteries providing 12hrs autonomy.</p> | Item | 1 | | | | |
| 14 | <p>Supply, install, test and commission of power distribution panels and boxes, to be sealed, vandal-proof, IP54, entirely made of 3mm thick steel sheets, having a hinged front door with a minimum of 2 locks, complete including all necessary protections, cable glands, power cables, control cables, CAT6 DATA communication cables, circuit breakers, protection fuses, disconnecting switch, voltage protections, surge arresters, earthing bar with connection to the earthing system, ventilation fans, louvers with dust filters, space heaters,</p> | Item | 4 | | | | |

| | | | | | | | |
|----|---|-------------|--------------|--|--|--|--|
| | <p>tagging and labeling and all other related works, accessories, mounting fittings and cable connectors.</p> <p>Installation shall be complete with all required accessories and fittings, according to the specifications, the drawings, to the approval of the Engineer and in compliance with the SLWE requirements.</p> <p>Class II DC combiner box rated IP65.</p> | | | | | | |
| 15 | Class II DC junction box rated IP65. | Item | 1 | | | | |
| 16 | Totalizing Panel | Item | 1 | | | | |
| 17 | <p>Supply, install, test and commission an earthing and lightning protection system, complete including all necessary ESE air terminals, electrodes, pits, earthing copper conductor, copper tape down conductor, test link, excavation, backfilling, compaction, and all other related works to achieve an earth resistance of less than 5 ohms, to be proven by a certified earth resistance test, witnessed by the Supervision Entity at SLWE and officially reported by the Contractor to the Client.</p> <p>Installation shall be complete with all required accessories and fittings, according to the specifications, the drawings, to the approval of the Engineer and in compliance with the SLWE requirements.</p> <p>Earthing and lightning protection system.</p> | LS | 1 | | | | |
| 18 | <p>Supply, install, test and commission of PV DC cables and AC power distribution cables, with all necessary installation works, accessories and mounting fittings.</p> <p>Installation shall be complete with all required accessories and fittings, according to the specifications, the drawings, to the approval of the Engineer and in compliance with the SLWE</p> | Lm | 1,080 | | | | |

| | | | | | | | |
|----|---|-------------|------------|--|--|--|--|
| | requirements. 2x6mm ² , PV cable for DC power distribution. | | | | | | |
| 19 | Copper, 2x25mm ² , PV cable for DC power distribution. | Lm | 140 | | | | |
| 20 | Copper, 2x50mm ² , power distribution. | Lm | 30 | | | | |
| 21 | Al/XLPE/PVC 4x25mm ² , cable for AC power distribution. | Lm | 55 | | | | |
| 22 | Supply, install, test and commission of cable management system, with all necessary installation works, accessories and mounting fittings. Installation shall be complete with all required accessories and fittings, according to the specifications, the drawings, to the approval of the Engineer and in compliance with the SLWE requirements. Rigid heavy gauge galvanized steel conduits. | LS | 1 | | | | |
| 23 | Flexible heavy gauge galvanized steel conduits. | LS | 1 | | | | |
| 24 | Galvanized steel cable trays with cover. | LS | 1 | | | | |
| 25 | Supply, install, test and commission of fire fighting system. Installation shall be complete with all required accessories and fittings, according to the specifications, the drawings, to the approval of the Engineer and in compliance with the SLWE requirements. Wall Mounted CO2 type fire extinguisher. | Item | 1 | | | | |
| 26 | Wall Mounted PVC box with fire blanket. | Item | 1 | | | | |
| 27 | Supply of personnel/operator safety kit and installation of site safety signs. To be complete with all required accessories and fittings, according to the specifications, the drawings, to the approval of the Engineer and in compliance with the SLWE requirements. Site safety kit including but not limited to, safety | LS | 1 | | | | |

| | | | | | | | |
|----|---|-------------|----------|--|--|--|--|
| | helmets, gloves, eye protection, safety boots, full body safety wear. | | | | | | |
| 28 | Site safety signs installation | LS | 1 | | | | |
| 29 | Supply of PV modules' cleaning kit. To be complete with all required accessories and fittings, according to the specifications, the drawings, to the approval of the Engineer and in compliance with the SLWE requirements. Site cleaning kit. | LS | 1 | | | | |
| 30 | After solar shading analysis report along the year, all surrounded trees that make sun shades on PV modules (at different zones) must be trimmed by the contractor to avoid sun shades. SLWE engineer must give the approve before any tree trimming action. . Tree Trimming. | Item | 1 | | | | |
| 31 | Submittal of Shop Drawings for the approval of the Supervision Entity at SLWE. Shop Drawings shall include plans, profiles, installation details, SLD, electrical and solar installation layouts. | LS | 1 | | | | |
| 32 | Submittal of As-built Drawings in 3 Hard copies and 1 Soft editable copy for the approval of the Supervision Entity at SLWE. | LS | 1 | | | | |
| 33 | Submittal of As-built Drawings in 3 Hard copies and 1 Soft editable copy for the approval of the Supervision Entity at SLWE. | LS | 1 | | | | |
| 34 | Submittal of Material's technical Datasheets, Samples, Mock-up for the approval of the Supervision Entity at SLWE. | LS | 1 | | | | |
| 35 | Submittal of O&M manuals for the approval of the Supervision Entity at SLWE. | LS | 1 | | | | |

| | | | | | | | |
|--------------------|--|-----------|----------|--|--|--|--|
| 36 | Testing and Commissioning of all components, equipment and devices as directed by the Supervision Entity at SLWE. | LS | 1 | | | | |
| 37 | Submittal of all Calculation Notes (Electrical, mechanical, electromechanical, solar, civil, etc...) requested by the Supervision Entity at SLWE in order to validate any shop drawings details. Safety factors shall be approved by the Supervision Entity at SLWE. | LS | 1 | | | | |
| Total Price | | | | | | | |

BIDDER'S ETHICAL DECLARATION ACTED Lebanon

Date:

Tender N°: T/11CUO/87DCSO/BRT/17-06-2020

Tenderer's name: _____

Tenderer's address: _____

CODE OF CONDUCT:

1. Labour Standards

The labour standards in this code are based on the conventions of the International Labour Organisation (ILO).

- *Employment is freely chosen*

There is no forced, bonded or involuntary prison labour. Workers are not required to lodge 'deposits' or their identity papers with the employer and are free to leave their employer after reasonable notice.

- *Freedom of association and the right to collective bargaining are respected*

Workers, without distinction, have the right to join or form trade unions of their own choosing and to bargain collectively. The employer adopts an open attitude towards the legitimate activities of trade unions. Workers representatives are not discriminated against and have access to carry out their representative functions in the workplace. Where the right to freedom of association and collective bargaining is restricted under law, the employer facilitates, and does not hinder, the development of parallel means for independent and free association and bargaining.

- *Working conditions are safe and hygienic*

A safe and hygienic working environment shall be provided, bearing in mind the prevailing knowledge of the industry and of any specific hazards. Adequate steps shall be taken to prevent accidents and injury to health arising out of, associated with, or occurring in the course of work, by minimising, so far as is reasonably practicable, the causes of hazards inherent in the working environment. Workers shall receive regular and recorded health and safety training, and such training shall be repeated for new or reassigned workers. Access to clean toilet facilities and potable water and, if appropriate, sanitary facilities for food storage shall be provided. Accommodation, where provided, shall be clean, safe, and meet the basic needs of the workers. The company observing the standards shall assign responsibility for health and safety to a senior management representative.

- *Child Labour shall not be used*

There shall be no new recruitment of child labour. Companies shall develop or participate in and contribute to policies and programmes, which provide for the transition of any child found to be performing child labour to enable her/him to attend and remain in quality education until no longer a child. Children and young people under 18 years of age shall not be employed at night or in hazardous conditions. These policies and procedures shall conform to the provisions of the relevant International Labour Organisation (ILO) standards.

- *Living wages are paid*

Wages and benefits paid for a standard working week meet, at a minimum, national legal standards or industry benchmarks. In any event wages should always be high enough to meet basic needs and to provide some discretionary income. All workers shall be provided with written and understandable information about their employment conditions in respect to wages before they enter employment, and about the particulars of their wages for the pay period concerned each time that they are paid. Deductions from wages as a disciplinary measure shall not be permitted nor shall any deductions from wages not provided for by national law be permitted without the express and informed permission of the worker concerned. All disciplinary measures should be recorded.

- *Working hours are not excessive*

Working hours comply with national laws and benchmark industry standards, whichever affords greater protection. In any event, workers shall not on a regular basis be required to work in excess of the local legal working hours. Overtime shall be voluntary, shall not exceed local legal limits, shall not be demanded on a regular basis and shall always be compensated at a premium rate.

- *No discrimination is practised*

There is no discrimination in hiring, compensation, access to training, promotion, termination or retirement based on race, caste, national origin, religion, age, disability, gender, marital status, sexual orientation, union membership or political affiliation.

- *Regular employment is provided*

To every extent possible work performed must be on the basis of a recognised employment relationship established through national law and practice. Obligations to employees under labour or social security laws and regulations arising from the regular employment relationship shall not be avoided through the use of labour-only contracting, sub-contracting or home-working arrangements, or through apprenticeship schemes where there is no real intent to impart skills or provide regular employment, nor shall any such obligations be avoided through the excessive use of fixed-term contracts of employment.

- *No harsh or inhumane treatment is allowed*

Physical abuse or discipline, the threat of physical abuse, sexual or other harassment and verbal abuse or other forms of intimidation shall be prohibited.

B. Environmental Standards

Suppliers should as a minimum comply with all statutory and other legal requirements relating to the environmental impacts of their business. Detailed performance standards are a matter for suppliers, but should address at least the following:

- *Waste Management*

Waste is minimised and items recycled whenever this is practicable. Effective controls of waste in respect of ground, air, and water pollution are adopted. In the case of hazardous materials, emergency response plans are in place.

- *Packaging and Paper*

Undue and unnecessary use of materials is avoided, and recycled materials used whenever appropriate.

- *Conservation*

Processes and activities are monitored and modified as necessary to ensure that conservation of scarce resources, including water, flora and fauna and productive land in certain situations.

- *Energy Use*

All production and delivery processes, including the use of heating, ventilation, lighting, IT systems and transportation, are based on the need to maximise efficient energy use and to minimise harmful emissions.

- *Safety precautions for transport and cargo handling*

All transport and cargo handling processes are based on the need to maximise safety precautions and to minimise potential injuries to ACTED beneficiaries and staff as well as the suppliers's employees or those of its subcontractors.

C. Business Behaviour

The conduct of the supplier should not violate the basic rights of ACTED's beneficiaries.

The supplier should not be engaged

1. in the manufacture of arms
2. in the sale of arms to governments which systematically violate the human rights of their citizens; or where there is internal armed conflict or major tensions; or where the sale of arms may jeopardise regional peace and security.

D. ACTED procurement rules and regulations

Suppliers should comply with ACTED procurement rules and regulations outlines in ACTED Logistics Manual Version 1.2. or above. In particular, ACTED's procurement policy set out in Section 2.1 and 2.4. (contract awarding). By doing so, Suppliers acknowledge that they do not find themselves in any of the situations of exclusion as referred to under section 2.4.2.

Operating Principles

The implementation of the Code of Conduct will be a shared responsibility between ACTED and its suppliers, informed by a number of operating principles, which will be reviewed from time to time.

ACTED will:

- Assign responsibility for ensuring compliance with the Code of Conduct to a senior manager.
- Communicate its commitment to the Code of Conduct to employees, supporters and donors, as well as to all suppliers of goods and services.
- Make appropriate human and financial resources available to meet its stated commitments, including training and guidelines for relevant personnel.
- Provide guidance and reasonable non-financial support to suppliers who genuinely seek to promote and implement the Code standards in their own business and in the relevant supply chains, within available resources.
- Adopt appropriate methods and systems for monitoring and verifying the achievement of the standards.
- Seek to maximise the beneficial effect of the resources available, e.g. by collaborating with other NGOs, and by prioritising the most likely locations of non-compliance.

ACTED expects suppliers to:

- Accept responsibility for labour and environmental conditions under which products are made and services provided. This includes all work contracted or sub-contracted and that conducted by home or other out-workers.
- Assign responsibility for implementing the Code of Conduct to a senior manager.
- Make a written Statement of Intent regarding the company's policy in relation to the Code of Conduct and how it will be implemented, and communicate this to staff and suppliers as well as to ACTED.

Both parties will

- require the immediate cessation of serious breaches of the Code and, where these persist, terminate the business relationship.
- Seek to ensure all employees are aware of their rights and involved in the decisions which affect them.
- Avoid discriminating against enterprises in developing countries.
- Recognise official regulation and inspection of workplace standards, and the interests of legitimate trades unions and other representative organisations.
- seek arbitration in the case of unresolved disputes.

Qualifications to the Policy Statement

The humanitarian imperative is paramount. Where speed of deployment is essential in saving lives, ACTED will purchase necessary goods and services from the most appropriate available source.

ACTED can accept neither uncontrolled cost increases nor drops in quality. It accepts appropriate internal costs but will work with suppliers to achieve required ethical standards as far as possible at no increase in cost or decrease in quality.

I undersigned _____, agree to adopt the above Code of Conduct and to commit to comply with the labour and environmental standards specified, both in my own company and those of my suppliers.
